You can also pull up all the teams associated with the event by clicking the search icon without entering a name in the box. Select the team you want to join; you should then see the team description below the team name. If you wish to change your team, click the orange "Change" button to the right of the team name. Next, use the drop-down menu to choose your relationship to the team or participant that encouraged you to register. Then, use the "How did you hear about us?" menu to choose how you found out about the event. If your employer matches donations, check the box and enter the name of your place of employment in the field that pops up.

To add additional registrants, click the green "Add Registrant" button and fill out the requested information. Click "Continue."

Step 4 Checkout

Next, designate an additional donation, and if there are items in the store that you would like to purchase, you can add them to your cart.

Click "Finalize Registration" to pay for your registration. If you'd like to help cover the processing fees for your purchase, click "Yes" and the designated percentage will be added onto your total. Complete the "Billing Information" form and click "Process Payment." Click on "Print Receipt." A receipt will also be sent to your email. After your registration is finalized, you will receive an email welcoming you to the Buddy Walk. This email will contain a username and password if you did not register with Facebook or Google.
